

Lesson 2: Tools for learning

Students can describe their daily study routines, discuss learning tools, and share advice on building good study habits while balancing school and family life.

 Objective: Identify and talk about items used for studying.

Warm up

Preparing to study

THINK AND SHARE

"What tools do you usually bring to class for different school subjects?"

START WITH:

- For English class, I always bring my...
- When I go to the library, I need a...

Useful Language (Part 1)

textbook

DEF A book used for studying a school subject.

EG I need to read my history textbook for class tomorrow.

CHK Do you usually read a textbook for fun or for school?

notebook

DEF A book with blank pages used for writing notes.

EG She takes all her math notes in a blue notebook.

CHK Do you use a pen or a keyboard to write in a notebook?

Useful Language (Part 2)

dictionary

DEF A book or app that tells you the meanings of words.

EG I use a dictionary to learn new English words.

CHK Which tool gives you the meanings of words: a notebook or a dictionary?

online search

DEF Looking for information on the internet.

EG Doing an online search helps me find quick answers for my homework.

CHK Do you do an online search using the internet or a piece of paper?

Conversation Builder

Learn how to explain why you need different study tools.

- **I use this to...** — Explain what you do with a tool.
- **This helps me to...** — Explain why a tool is useful.
- **I need a... for...** — Explain which tool you need for a specific subject.

MODEL DIALOG

Tutor: So, what do you need for your English class?

Student: Well, I need a dictionary for English. This helps me to learn new words.

Tutor: Right. What about a notebook?

Student: I use this to write down my notes.

Let's practice

TEACHER

"Imagine we have English, math, and history classes today. What tools do we need for these subjects? You can choose from a textbook, a notebook, a dictionary, or an online search. Use the sentence frames below to share your ideas."

STUDENT GUIDE

- 💬 I need a ____ for ____.
- 💬 I use this to ____.
- 💬 This helps me to ____.

Real-world scenario

 **You:** You are a new student. You are at the bookstore to buy school supplies, but you aren't sure exactly what you need.

 **Tutor:** You are an experienced student. You are helping the new student choose the right study tools.

⚡ THE PROBLEM

The new student doesn't know which study tools to buy for their classes.

YOUR MISSION

-  Tell the new student which tools to buy.
-  Explain why they are useful.
-  Use: I need a... for... / I use this to... / This helps me to...

▶ Hi there! I'm a new student here. Could you help me out? I'm not really sure what I need to buy for my classes.

Wrap-Up

TODAY'S RECAP

- ✓ Vocabulary: textbook, notebook, dictionary, online search
- ✓ Language chunks: I use this to... / This helps me to... / I need a... for...
- ✓ Skill: Identifying and talking about items used for studying.

FINAL TASK

Use one of today's phrases to answer the question: What do you use a dictionary for?

 **Challenge:** Look around your room. Find three items and practice explaining what you use them for in English.
